About Me

I have a background in Information Technology, with a specific focus on frontend development. I am the type of person who seizes every opportunity to learn something new, which is why I enjoy challenges. The fast pace and high-pressure environment push me to learn quickly, adapt to new situations, and continuously gain valuable experience. My goal is to build innovative, user-friendly digital experiences that positively impact users.

Skills

- **Frontend Development:** HTML, CSS, JavaScript, React
- **Design & Prototyping:** Figma, Modern Design Libraries
- **Version Control:** Git/GitHub
- **Work Methodologies:** Agile Methodologies
- **Languages:** Swedish (Fluent), English (Fluent), Arabic (Fluent)
